Agniveer SSR Exam Pattern

The selection process for the Indian Navy Agniveer SSR Recruitment involves a written examination for candidates applying for the SSR (Senior Secondary Recruit) entry. The written examination comprises of multiple-choice questions that encompass various subjects such as English, Mathematics, Science, and General Awareness.

Here are some important details about the written exam:

- (a) The exam will be computer-based and will have a total of 100 questions, with each question carrying 01 mark.
- (b) The question paper will be available in both Hindi and English languages, and it will be in an objective multiple-choice format.
- (c) The question paper will consist of four sections: English, Science, Mathematics, and General Awareness.

| Subject | No. of Questions | Time |
|-------------------|------------------|------------|
| English | 100 | 60 minutes |
| Mathematics | | |
| Science | | |
| General Awareness | | |

The question paper for the Indian Navy Agniveer SSR Recruitment will be based on the 10+2 standard. This means that the questions will be at a level equivalent to what you have studied in your 10+2 education. To help you prepare for the exam, sample papers are available on the official website: www.joinindiannavy.gov.in/ <https://agniveernavy.cdac.in>. These sample papers can give you an idea of the types of questions you may encounter in the examination.
